BACKLINE SPECIFICATIONS

In addition to the sound system as outlined the engager will provide where necessary:

DRUMKIT:

5 piece minimum of acceptable standard (Kick, Rack Tom 1, Rack Tom 2, Floor Tom plus all hardware with 4 boom cymbal stands).

Cymbals and Snare will be provided by band.

Provisions of backline to be agreed between engager and Trail West before booking.

If any of this is not possible please contact us as soon as possible with alternatives. We look forward to working with you.
